USING ARCHPASS WHILE TRAVELING:

Don't have Internet access or cellular connectivity? Use Duo mobile passcodes

Remote Access VPN:

❶ Open your VPN client and type "remote.uga.edu"

❷ Enter your MyID and password

❸ Open Duo Mobile App on your enrolled smartphone or tablet

❹ Touch the "key" icon to generate a passcode

❺ Type the passcode in the "Second Password" field and click "OK"

Other Applications:

❶ Enter your MyID and password and click "Log In"

❷ Open the Duo Mobile App on your enrolled smartphone or tablet

❸ In the application, select Enter a Passcode

❹ In the Duo Mobile App, touch the "key" icon to generate a passcode

❺ Type the passcode in the passcode field and click "Log In"
